

ANGLETON ER 1116 E. Mulberry Street Angleton, Texas 77515 979-848-0911

Welcome to Angleton Emergency Room. You and your family are important to us and we value your trust in allowing us to serve your medical emergency needs.

- Angleton ER is a full service and fully state licensed Emergency Room. The charges for our services are comparable to the charges you would have at a hospital emergency room and may have a facility fee. These costs cover the services we provide our patients with board certified physicians, highly trained staff, state of the art equipment, full-service laboratory and imaging services, all to be available 24/7.
- Angleton ER will bill most commercial insurance companies on your behalf and you are only responsible for payment of any copay, deductible and co-insurance your insurance plan requires. The exceptions are Medicare, Medicaid, and Tricare, which do not recognize Freestanding Emergency Rooms at this time. We DO NOT surprise bill our patients for any charges not allowed by their insurance.
- Angleton ER is not currently in-network with any insurance plans.
- Our discounted prompt-pay plan is available to any patient who does not have insurance coverage. Please let us know if you want information about this cost saving option.
- Your visit will consist of two separate bills which are sent to your insurance carrier. One will be for ER facility cost and the other will be for the Angleton ER physician that treated you. The insurance company will process your claim and send you an EOB (Explanation of Benefits) - this is not a bill. This EOB will likely show a large amount that will still need to be negotiated. Please disregard this amount. Once the negotiations have been completed by Angleton ER and your insurance carrier, that amount will be applied to your ER in-network benefits. Any remaining responsibility for Copay, Deductible and or Coinsurance will be sent to you as a bill from Angleton ER.
- Fees :Angleton ER has a range of Facility Fees based upon the level of service required to properly care for your condition. These facility fees will range from \$500 - \$4,000. Level 1-\$500, Level 2-\$950, Level 3-\$1,750 Level 4-\$3,250 Level 5-\$4,000 with a Median Facility Fee of \$1,800
- If your condition requires admission for further observation and treatment, Angleton ER will charge your insurance carrier an Observation Fee of \$1,750.00 Per/Hour. This is the median observation fee and the sole fee for observation that will be charged for observation care.
